

23 May 2005

## **INFORMATION PAPER**

**SUBJECT:** Preparation for the 2005 Hurricane Season

1. Purpose: To provide Honolulu District employees with information on hurricane preparedness to allow them to prepare to the 2005 hurricane season.
2. 1 June is the beginning of hurricane season in Hawaii. Personal preparation is an important aspect of readiness. Please, make time to prepare. Your preparation will minimize the impact to you, your family and that forgotten family member...your pet. Below are links that will assist you in preparing for the upcoming hurricane season.
